PROFESSIONAL HEALTHCARE RESOURCES NAMED AS ONE OF THE TOP
HOMECARE PROVIDERS IN THE NATION FOR THE FIFTH YEAR IN A ROW.

Annandale, VA October 28, 2010. Professional Healthcare Resources, the largest independent home healthcare and hospice agency in the Washington, DC metropolitan area has again been named to the HomeCare Elite (HCE) list of the top home care agencies in America. This is the HCE's fifth year; selections are made by OCS HomeCare and DecisionHealth®. The selecting organizations rank over 9,000 Medicare certified agencies through an analysis of quality outcomes, quality improvement, and financial performance.

"The 2010 HomeCare Elite winners continue to demonstrate a commitment to providing their patients with the best possible care while performing at the highest level," said Amanda Twiss, CEO of OCS HomeCare. "We congratulate Professional Healthcare Resources on being one of the top home care agencies in the country. In addition, we salute all forward thinking providers who are already working on measuring and improving their performance using outcomes and process measures."

The list is divided into the Top 100, Top 500, and Top 25% home care agencies. Professional Healthcare Resources' Washington, DC branch was named to the Top 100. The DC branch has been named to the HCE list every year since the list's inception in 2006, and this is the branch's second time in the Top 100. The company's Lanham, MD and Bethesda, MD branches were both named to the Top 500. The company's Annandale, VA branch was named to the Top 25%.

“On the fifth anniversary of HomeCare Elite, DecisionHealth would like to congratulate all of the winners who have achieved excellent clinical and financial outcomes, especially during times of such drastic regulatory changes,” added Marci Heydt, executive editor of DecisionHealth’s *Home Health Line*.
